

Aloha Advantage

Live Purposefully. Lead Boldly. Love Deeply.

Aloha Advantage Program by Cynthia Yamasaki

I developed the Aloha Advantage program to provide a solid foundation for grasping and implementing the principles of Aloha across different contexts. This program is presented in partnership with the Project Shaka series of films and educational resources by ID8.org.

Add Aloha to Your Life Life Coaching for Leaders

I coach professionals and leaders who aspire to achieve more than mere success—those who crave alignment, depth, and meaning in both their personal and professional lives. Together, we reconnect with your inner compass, envision new possibilities, and progress with clarity and a revitalized sense of purpose.

"Working with Cynthia has been a truly unique and enriching experience. The executive coaching sessions have significantly contributed to my development, growth, and understanding of new perspectives and strategies."

During our sessions, I learned that challenges become fuel for growth and that the use of empathy strengthens our mastery of helping others. Conflict can be a gift for deepening trust. Practicing daily self-care is must to stay grounded and focused."

I deeply appreciate your patience and insight in understanding me, my culture, and my values." ~ VS

Add Aloha to Business Advisory and Training

I provide guidance to businesses focused on organizational growth, developing high-performing teams, and empowering leaders to thrive with authenticity and compassion. Together, we venture into new possibilities through strategic planning, engage key stakeholders, and navigate your organization toward a fresh path for sustained success.
